

The Road Does Not End Here

① Debate questions:

- ① Is a software monoculture a threat to society?
- ② How long should ISP logs be retained for?
- ③ Sinner or saint: Ed Snowden
- ④ Your debate question
- ⑤ Okay to strike back at attackers?

② Uncovered topics

Electronic Voting
Piracy and DRM
Cyber warfare
Cyber policy
Government
MMORPGS and online games
HTML5 security
The cloud
IPv6
SCADA systems
Security mgmt & metrics
Law and legal cases
Bitcoins

What's next?

Many security-related opportunities

Developers \Rightarrow not all about getting software to work function. Need to think about abuse cases.
